

WATAWALA PLANTATIONS PLC

INTERIM CONDENSED FINANCIAL STATEMENTS

Quarter ended 30th June 2026

CEO Review

Dear Shareholders,

The Group delivered revenue growth in 1QFY27, supported by resilient oil palm performance, while profitability was affected by dairy losses and higher operating cost pressures. Management remains focused on protecting margins, strengthening operational discipline, and advancing sustainability-led improvements across both business segments.

Group Performance

Watawala Plantations PLC recorded Group revenue of LKR 2.8 bn for the quarter ended 30 June 2026 (1QFY27), a 15.1% YoY increase. This growth was driven primarily by the oil palm business, where revenue rose 17.9% YoY, partly offset by a 7.1% YoY contraction in dairy revenue.

Group profit after tax (PAT) was LKR 884.7 Mn, up 7.1% YoY. The growth was primarily driven by the performance in oil palm segment. Net assets per share decreased marginally to LKR 2.94 as of 1QFY27, compared with LKR 3.03 as of 1QFY26.

Oil Palm

Oil Palm recorded revenue of LKR 2.5 bn, up 17.9% YoY, supported by higher Crude Palm Oil selling prices and increased volumes compared with the same period last year, underpinned by improved crop availability. Productivity improvements across the estates led to higher fresh fruit bunch output per labourer per hectare.

Company profit after tax (PAT) rose to LKR 949.2 million, up 11.5% YoY from LKR 851.5 million, with the PAT margin narrowing slightly to 37.2% from 39.4% in the corresponding quarter last year.

Dairy

Dairy revenue stood at LKR 258.9 Mn for 1QFY27, down 7.1% YoY due to lower milk sales volumes during the period. The dairy business recorded a net loss of LKR 64.5 Mn, widening from a net loss of LKR 25.5 Mn in the corresponding quarter of the previous year. The larger loss was primarily attributable to ongoing operational challenges, including higher effluent management costs incurred during the period.

Outlook

Palm oil prices continued to strengthen during 1QFY27, supported by favourable demand conditions. The company expects demand conditions to remain favourable in the near term, supported by stable domestic consumption and global market dynamics.

In the dairy business, management remains focused on improving herd productivity and operational efficiency. Across both business segments, the company will continue to focus on operational efficiencies, disciplined cost management, and sustainable agricultural practices.

Shyam Sathasivam
Acting CEO

Notes to the Condensed Interim Financial Statements

01. Corporate information

Watawala Plantations PLC (the Company) is a public limited liability company incorporated and domiciled in Sri Lanka.
It is listed on the Colombo Stock Exchange. The registered office of the Company is located at No 60, Dharmapala Mawatha, Colombo 3.

The principal activities of the Group during the period continued to be cultivation, manufacture and sale of crude palm oil and Dairy farming.

02. Condensed Interim consolidated financial statements

The Consolidated Condensed Interim Financial Statements of the Watawala Plantations PLC as at and for the period ended 30th June 2026 comprised the Company and subsidiary Lonach Dairy Ltd.

03. Approval of financial statements

The Condensed Interim Financial Statements of the Group and the Company for the period ended 30th June 2026 were authorised to be published by the Board of Directors on 07th August 2026.

04. Basis of preparation

These Condensed Interim Financial Statements of the Company and the Group have been prepared in accordance with Sri Lanka Accounting Standards (SLFRS/ LKAS).

Further, provisions of the Companies Act No.7 of 2007 have been considered in preparing these Condensed Interim Financial Statements. There were no changes to the Accounting Policies and methods of computation since the publication of the Annual Report 2025/26, except these Condensed Interim Financial Statements have been prepared in compliance with the requirements of the Sri Lanka Accounting Standard - LKAS 34 on 'Interim Financial Reporting'. Previous year figures and phrases have been re-arranged wherever necessary to conform to the current presentation.

05. Net assets per share

Net assets per share has been calculated, for all periods, based on the number of shares in issue as at the Statement of Financial Position date.

06. Events after reporting date

No circumstance has arisen since the reporting date which would require adjustment to or disclosure in the interim financial statements.

07. There has been no change in the contingent liabilities at the quarter end as compared to 30th June 2026.

08. Fair value adjustments are done bi-annually as per the policy of the Company. Hence, Condensed Interim Financial Statements reflected any such changes.

09. Fair values of financial instruments

The Group measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements.

Level 1: Quoted market price (unadjusted) in an active market for an identical instrument.

Level 2: Valuation techniques based on observable inputs, either directly – i.e. as prices or indirectly – i.e. derived from prices. This category includes instruments valued using: quoted market prices in active markets for similar instruments; quoted prices for identical or similar instruments in markets that are considered less than active; or other valuation techniques where all significant inputs are directly or indirectly observable from market data.

Level 3: Valuation techniques using significant unobservable inputs. This category includes all instruments where the valuation technique includes inputs not based on observable data and the unobservable inputs have a significant effect on the instrument's valuation.

This category includes instruments that are valued based on quoted prices for similar instruments where significant unobservable adjustments or assumptions are required to reflect differences between the instruments.

Fair Value Measurement - Group

(all amounts in Sri Lankan Rupees thousands)
